- STAFF ORAL COMMENTS

## **City Council Meeting Report**

**Ms. Ryan** said there have been two City Council meetings since the last regular Planning Commission meeting. At the Council meeting of October 25, 2005 the Council heard the application by Centex Homes for the redevelopment of the Oasis Mobile Manor site. The Planning Commission had recommended in favor of the 55 units as requested by the applicant with some modification to the street design. The Council approved the 55 units and a 22 foot wide street that includes a sidewalk in the interior portion and some addition of parking spaces. The second item related to Planning was the moratorium placed on places of assembly in commercial industrial zoning districts and amusement recreation uses in industrial zones. Council approved the continuation of the moratorium to the end of March of 2006 or until the study is finished, whichever occurs first, and provided an exemption of seminaries as defined for adult religious instruction for fewer than 40 students. The third item related to planning was the joint meeting of the Redevelopment Agency and City Council to consider the adoption of the amendment and restated redevelopment plan as recommended for approval by the Planning Commission. The item was continued to the November 1, 2005 City Council meeting where it was heard and approved with the changes as recommended.

## **Other Staff Oral Report**

**Ms. Ryan** said that staff also offers congratulations to **Comm. Moylan** on his recent success in the City Council election.
